

ONE-DAY RACE MEET BY WARRENTON CLUB

Will Be Held on Broadview
Farm Course on Oc-
tober 18.

(Special to The Times-Dispatch.)

Warrenton, Va., October 11.—One of the best attractions of the fall season in the way of outdoor sport in Fauquier County, will take place on Saturday, October 18, on the beautiful Broadview farm course, near Warrenton, the estate of William F. Wilbur, near Warrenton, when the Warrenton Club will hold a one-day race meet. This meet was decided upon late in the summer; several similar meets having been held on the course with great success in every way. From the present prospects and outlook, judged by the entry list and many inquiries, the day promises to be a most successful one, and the event will attract many notable horsemen in this section of Virginia.

The events of the day as now listed

consist of five jumping classes in the morning, heavy and middle weight jumpers, lightweight hunters, a free-for-all class, and a class for green hunters. The green hunter class is for horses that are not qualified hunters or eligible for qualification, and that have not won a blue ribbon. This is designed to be a genuine green hunter class where the green hunters will have the opportunity to show their ability in the races and jumping classes. The race committee consists of William F. Wilbur, M. F. H. Harry Pool, treasurer of the Warrenton Club, and James K. Maddux, E. R. W. Barker, secretary of the club, has been appointed clerk of the course and scales.

TY COBB GETS FIRST PLACE IN AMERICAN

Chicago, October 11.—Unofficial batting averages, revised to include final games in both leagues give Ty Cobb, with an average of .391, first place in the American, and Yngling with .409, first place in the National, while McDonald, of Boston, topped out Daulton, with .382, to the Brooklyn man's .360.

The National's other .300 are: Hyatt, Pittsburgh, .556; R. Miller, Philadelphia, .545; Cravath, Philadelphia, .531; Ervin, Brooklyn, .523; Becker, Philadelphia, .521; Schmidt, Boston, .520; Walsh, Philadelphia, .520; Hens, Boston, .517; Zimmerman, Chicago, .513; Mace, Philadelphia, .512; Wheat, Brooklyn, .509; Viox, Pittsburgh, .508; Meyers, New York, .506; Wagner, Pittsburgh, .506; Titus, Boston, .506; Tinker, Cincinnati, .504; House, St. Louis, .503; Baker, Philadelphia, .502; Lohr, Philadelphia, .501; Marans, Cincinnati, .500; Smith, Brooklyn, .500.

Next to Cobb, the American leaders

rank: Hendricks, Boston, .485; Jackson, Cleveland, .473; Speaker, Boston, .464; Collins, Philadelphia, .464; Baker, Philadelphia, .458; Gilheoley, New York, .450.

WITH THE BIG COLLEGES

Yale's Victory Is Easy.
New Haven, Conn., October 11.—Yale defeated the heavy Harvard eleven 27 to 0 today in the first football game between the two institutions. Four touchdowns and three goals made up the Yale total.

Knowles' work in running back punts and tackling was the key to Yale's victory. He was responsible for the majority of Yale's opportunities to score. In the first period Lafayette held at the five-yard mark, and on two other occasions the visitors held back the attack and kept the game. Captain Ketcham kicked three goals.

Harvard Defeats Williams.

Cambridge, Mass., October 11.—Harvard defeated Williams today 23 to 3, in a game that was featured by the work of Bricker. Harvard's star full back, Bricker, was in for only a short time in the first period, but in the second half Coach Haughton sent him back with the ball on Williams' forty-yard line. Carrying the kick on seven rushes, Bricker put it over for the first touchdown of the game. The other scores were touchdowns by Bradlee and Rollins and goals by Storror and Mitchell. A goal from placement by Walker gave Williams its only score. This was made from Harvard's thirty-yard line.

Bucknell Loses to Tigers.

Princeton, October 11.—The Tigers defeated Bucknell today in a rain-soaked field, which made end runs almost impossible, and impeded the playing of both teams.

Stret, at full back for Princeton, was the individual star in the game, and "Hobby" Baker divided the four touchdowns made by their team equally between them. In the first period, Stret broke through the Bucknell line and ran sixty yards for a touchdown, and in the second and third periods he made consistent gains whenever called upon.

In the final quarter Baker made a brilliant run of thirty-five and kicked one of thirty yards. The Tigers were steady and consistent at this stage.

Navy Beats Georgetown.

Annapolis, Md., October 11.—With a full line of players in the game, the Navy easily defeated Georgetown today 23 to 0. McCreary, Harrison, Alexander and Fanning were the visitors' line, and Fanning was the star throughout the contest.

Penalties in the first quarter prevented the middles scoring, but the superiority of their attack was clearly demonstrated. In the second period Harrison and McCreary went over for touchdowns, and Brown successfully kicked both goals. Alexander contributed the rest of the game by running eighty-five yards after receiving the ball on a kick-off. Miles' touchdown and Brown's goal from placement in the final quarter made up the total of twenty-three points.

Fiercely Contested Game.

Ithaca, N. Y., October 11.—The Carlisle Indians defeated Cornell in a fiercely contested football game here today, 7 to 0, the visitors scoring the only touchdown of the game in the first quarter.

Goosesback, playing at right back for Carlisle, took the ball at Cornell's forty-yard line and carried it to the

Philadelphia leads in the American

League, with a team batting average of .277, and in fielding average of .564. Brooklyn led the National in batting, with .270, and fielding honors

with .711. In the National, Carey, of Pittsburgh, stole 56.

around right end. Guyon plunged through for five yards and then carried it over. A quick kick goal.

Practically for the remainder of the game the Indians were on the defensive. Three times Cornell carried the ball to the two-yard line of their opponents, only to fail at the pinch.

In the first period the Indians lost a chance to score when Captain Welch intercepted a forward pass almost on the goal line. In the third Cornell rushed the ball to Carlisle's one-yard line, only to be turned back. The play of the Cornell line was easily the feature of the game.

Easy Work for Army.

West Point, N. Y., October 11.—The offensive plays that Oster-Sanford taught the Rutgers eleven failed, to make any impression on the Army line today, and the Cadets rolled up a score of 23 to 0 against the visitors.

Fast work by the Army ends broke up Rutgers' trick plays before they could be gotten off.

Hobbs, McGee and Joutet scored touchdowns. Benedict and Woodruff kicking the goals. For Rutgers, Tallman and Lush played the best ball, but their team was never in striking distance of the Army goal.

Penn. Plays Strong Game.

Franklin, Pa., October 11.—Pennsylvania had little trouble defeating Swarthmore at Franklin today, the final score being 20 to 0. Two touchdowns and their field goal made up the Penn. total.

The Little Quakers played themselves out in the first half, and in the second half Pennsylvania went through them easily and always for gains.

Given with many substitutes in the line Pennsylvania had no trouble penetrating Swarthmore's line-up to the finish. Cline, who played a good game for the visitors, was badly injured in the second half, and was carried from the field. After this, Swarthmore quickly deteriorated, and could offer no resistance to Pennsylvania's plunges and end runs.

Carolina Wins From Davidson.

[Special to The Times-Dispatch.]
Greensboro, N. C., October 11.—Carolina defeated Davidson in the first football game of the season here today, 7 to 0. It was evident from the outset that the university had the stronger team, but the Prexyterians put up a plucky fight, and held their opponents down to a small score.

The only touchdown came in the last quarter, and this was dispatched by Davidson. Coach Simmons protested that a Davidson player was blocked, and but for this the touchdown would not have been made.

Carolina got the touchdown by use of the forward pass. Ervin made the

Plank Will Never Pitch Another Game

Philadelphia, October 11.—Eddie Plank, who won from the Giants today, never will pitch another game of professional ball, according to his own admission. If Plank had not won today he probably would place his signature to an Athletic contract, but to-day's events allow him to bring his baseball career to an end in a blaze of glory.

Last Wednesday, when he lost while pitching against Matthews, Plank made the announcement. He begged for just one more chance to "down the Giants," and Mack gave it.

Plank has never shown any desire to wander "far from his own fireside," and to-day owns two large farms near Gettysburg, Pa., his birthplace, and spends all his spare time there.

touchdown and Foust the field goal that made up Carolina's score.

The game was featured by the line-plunging of Walker and the punting of Foust, and the plucky fight of Davidson on the defensive. A good crowd witnessed the game. Davidson was represented by a big body of students.

The line-up was as follows:
Carolina. Position. Davidson.
Homeard, right end. Crayter
Abernethy, left tackle. Anderson
Foust, right guard. Glor
Abernethy, center. Fosters

One of the big football games of the season will be staged at Broad Street Park Wednesday afternoon when the University of Mississippi eleven tackles the team of the Medical College of Virginia.

The Mississippians have been going well this season, and expect to put it over the Medicos, while, on the other hand, the "Sawbones," though losing games, are looking forward to a victory on Wednesday.

Yesterday the A. and M. eleven gave the Medicos a 13 to 7 drubbing. This defeat has not made the "Sawbones" downcast, but, on the contrary, has made them determined to down the Mississippians, because this week's game is looked upon as the real game of the season. The Medicos have had good practice, and with Coach Jones holding such men in reserve as Foster, Seymour, Parker, Hedgepeth and White, all considered stars in their particular line of work, the team will be materially strengthened with these men in the line-up.

The game with the University of Mississippi takes the place of the annual game formerly played between the Medical College of Virginia and the University College of Medicine, which was looked upon as the "big" game before the two medical colleges were consolidated. But in Mississippi the "Sawbones" have found an eleven that is not to be trifled with.

With such backfield men as Harris and Breeland, and other positions of equal ability, the "Old Miss" will on Wednesday endeavor to make amends for their defeat yesterday by the Techs at Blacksburg by the score of 34 to 13.

The Medicos and the Mississippians have never met on the gridiron before, and some surprises may be expected.

Coach Driver, of the Mississippi squad, has had his men hard at work and under his guidance they have made a good showing so far this season.

With such backfield men as Harris and Breeland, and other positions of equal ability, the "Old Miss" will on Wednesday endeavor to make amends for their defeat yesterday by the Techs at Blacksburg by the score of 34 to 13.

Blackstone Institute loses to Richmond Academy.

Blackstone, Va., October 11.—The Richmond Academy football eleven defeated Blackstone today, the final score being 14 to 0. Light rain fell before the game, but the gridiron was in good condition. The game was featured by the line-plunging of Owens and end runs by Kirk. The forward pass was used successfully by the visitors. Kirk kicked the goals. For Blackstone, Captain Pitts kicked goal. Owens made a touchdown in the third quarter, and Justice registered with a safety. The game was hard fought, and several of the players were bruised, but not seriously hurt.

FAST STEPPERS OFF FOR OTHER TRACKS.

The stables of pacers, trotters and runners which have been quartered at the Virginia State Fair during the past week, scattered to the four winds last night, and by to-night will be located at other tracks.

Several of the fastest steppers were shipped to Petersburg, where the Southside Fair will be in progress this week. Others will go to Greensboro, N. C., and Cumberland, Md., while other strings will be scattered to tracks in Pennsylvania.

ST. JOHN'S LOSES BY 19 TO 0 SCORE.

[Special to The Times-Dispatch.]
Lexington, Va., October 11.—Checkered St. John's forward passing and clutching Washington and Lee resorted to straight football tactics to achieve a 19-to-0 victory to-day. St. John's maneuvered the forward pass so skillfully in the first quarter that Washington and Lee were unable to offset the material gains with counter plays.

In the second quarter, Donahue dropped kicked from the twenty-four-yard line for the first score. After Donahue

had intercepted a forward pass in the second period, Friend and Young made consistent gains, and approached the goal. Friend carried the ball over, but Young missed his first goal.

In the third period the Generals overwhelmed St. John's. After an exchange of punts, Friend made a brilliant run, placing the ball near the goal. Donahue booted successfully from the thirty-first-yard line. After the kick off, St. John's was held to a slight injury against the Medicos.

Full Back Friend, Barker and Barrow starred for Washington and Lee, while Barker and Winslow scintillated for St. John's. Miller and Shultz made fierce tackles for heavy losses. The Generals have defended their goal without a score this season.

SCOREBOARD FANS BANKED ON MATTY.

The miniature reproduction on The Times-Dispatch scoreboard of the final struggle at the Polo Grounds piled 7,000 single-digit Richmonders into a single block on the scoreboard yesterday afternoon, and kept them there through occasional drizzles and constant threat of downpour until the electric lamp signaled the third out of the ninth inning, and with it the final of the season's hopes.

Between 3,000 and 4,000 others came too late to find a place from which the board was visible, and returned periodically to learn the score from holders of standing-room.

Broad Street Park never held a more demonstrative gathering—not even when Petertown and Richmond, tied for the pennant, were battling for first place. For the first time since the opening of the world's series the crowd was with the Giants. Sympathy ran strong with the under dog, and the crowd wanted New York to win. Only those who had money on the Athletics wanted the series to end yesterday.

Mathewson was expected to repeat his performance of Wednesday. The crowd welcomed the announcement that he was to pitch, and glorified in the prospect of another thriller. The grandstand seats in the American National Building showed a brightly smiling face, and the electric scoreboard held fourteen box-holders, seated in V formation watching the game. A young woman on the ninth floor scanned the board with a pair of opera glasses.

When the Athletics drew blood in the opening inning the mob cheered in sheer lust for battle, but when two more runs were added by Philadelphia in the third the cheering was tainted with the wail of the hundreds who had backed Mathewson to win. From that period of the game until the end a hit or play that tipped the scales in favor of New York caused the crowd to cheer wildly. It cheered because it is nature to cheer for the under dog, but the veteran Matty was 300 odd miles away and couldn't hear, so he lost.

With the end of the series ended The Times-Dispatch electric baseball service, that five games, drawn to the Tenth Street gorge between 40,000 and 50,000 fans. Most of the time the threat of rain was never absent, but the crowds came daily, and business in the big-building district waited until the end of the game. The instantaneous service and the graphic reproduction of each play by the incoherent screams caught popular fancy and made the scoreboard almost as interesting as the games themselves.

All Blood Disorders Quickly Astonishing Results With the Greatest Blood Purifier Ever Discovered.

Strength, Power, Accomplishment are all typified in S. S. S.
Some blood disorders become deeply rooted in the glands and tissues, and the mistake is made of resorting to drastic drugs. These only aggravate by causing other and worse troubles. A host of people know this to be true. They know from painful experience.
To get right down into where the blood is vitiated requires S. S. S. the greatest blood purifier ever discovered.
This remarkable remedy contains one ingredient, the active purpose of which is to stimulate the tissues to the healthy selection of its own essential nutriment and the medicinal elements of this matchless blood purifier are just as essential to well balanced health as the nutritious elements of the meats, grains, fats and sugars of our daily food.
Not only this, but if from the presence of some disturbing poison there is a local or general interference of nutrition to cause boils, carbuncles, abscesses and kindred troubles, S. S. S. so directs the local cells that this poison is rejected and eliminated from their presence.
Then, too, S. S. S. has a much specific stimulation on those local cells as to preserve their mutual welfare and a proper relative assistance to each other.
In a very brief time S. S. S. has the reconstructive process under control that remarkable changes are observed. All eruptive places heal, mysterious pains and aches have disappeared, and from head to foot there is a conscious sensation of renewed health.
From the fact that S. S. S. is purely a botanical preparation, it is accepted by the medical profession and has great tonic influence. Not one drop of drugs or minerals is used in its preparation. Ask for S. S. S. and insist upon having it. And if you desire skillful advice upon any matter concerning the blood, write to The Swift Specific Co., 205 Swift Bldg., Atlanta, Ga. Do not allow some zealous clerk to lull the atmosphere in eloquence over something "Just as good" as S. S. S. Beware of all counterfeits.
